ENGLISH SKILLS REPORT FOR KINDERGARTEN

MAY

Dear parents,

It was great seeing you last weekend at the End of Year Show. We hope you liked what the students had to present.

This month we studied **action verbs** and **can/can't** structures. We played lots of active games to learn and revise our verbs. Some of these games were lead by the teacher and some were lead by the students. The students enjoyed the lessons very much as they had the chance to move around the classroom.

We also learned chants and songs associated with action verbs. The lyrics of one are as follows:

Sit down, stand up, turn around and jump!

Run, run, run, run, run, run, run,

Walk, Walk

And dance! And dance!

Our topics for the following month will be **transportation** and **playground**.

May Vocabulary:

Sayın Veli,

Bu ay İngilizce derslerimizde yeni konumuz olan **hareket fiilleri** ve **yapabilme/yapamama** kalıbını işledik. Konuyla ilgili olarak oyunlar oynandı ve şarkılar söylendi. Haziran ayının konuları **ulaşım araçları** ve **oyun parkı** kelimeleri olacaktır.
