ENGLISH SKILLS REPORT FOR KINDERGARTEN

APRIL

Dear parents,

This month, as always, we reviewed the topic of the previous month which was **food**. Because we missed two Fridays this month (due to April 23rd and the Turkiye Rallisi) , we only got to have three lessons. The topic we studied was **prepositions**.

We played games where students came in front of the classroom and placed things where their friends told them to. Hence we used sentences like “Take the yellow car and put it under the blue table.”, “Where is the train?”, “Take the train and put it in the cupboard” etc. The students enjoyed this activity very much since they had the chance to speak English and by doing so, they had a confidence boost.

We also did some dictated coloring activities where students decided on the color of the toys. Some of the sentences were “The teddy on the table is brown”, “The boat under the table is green” etc.

Our next topic for the month of May is going to be **action verbs** and **can/can't** structures.

Sayın Veli,

Bu ay İngilizce derslerimizde geçen ay öğretilmiş olan **yiyecekler** konusunu tekrar ettik ve yeni konumuz olan **yer edatlarını** işledik. Konuyla ilgili olarak konuşma, yönerge verme ve boyama etkinlikleri yapıldı. Mayıs ayında yeni konularımız **hareket fiilleri** ve **yapabilme/yapamama** kalıpları olacaktır.
