Sevgili Velilerimiz,

Bu ay, sevgili öğrencilerimizle *yiycekler*, *oyuncaklar*, *vücudumuzun bölümleri* ve *tatil* başlıklı konuları öğrendik. Bu konuları, cümle kalıpları içinde, olumlu olumsuz cevaplarla örnekendirerek pekiştirdik. Yiycekler konulu projelerimizi sunduk ve 'FOOD' temalı partimizi yaparak hem eğlendik, hem öğrendik. Ayrıca 'Okuma Bayramı' için hazırladığımız skeçler çok güzel oldu ve biz bu skeçlere, sürpriz danslar da ekledik, izlediğinizde çok beğeneceğinizi düşünüyoruz.
